

Two Acre Wood Health Guarantee

We, at Two Acre Wood, want our dogs to live healthy, happy lives and to bring you much joy, pleasure and companionship. We breed according to that goal and make informed decisions based on health and temperament testing. We are invested in the wellbeing of each puppy. We strive to be a resource for our families for the lifetime of their TAW puppy. Should a question or concern arise we encourage you to reach out to us.

Two Acre Wood Health Guarantee to the Original Purchaser includes:

Lifetime Warranty against breed related congenital diseases:

Debilitating or life-threatening hereditary/congenital diseases is defined as:

- Von Willebrand's disease (Type 1)
- Degenerative Myelopathy
- GM2 Gangliosidosis
- Intervertebral Disc Disease (Type 1)
- Neonatal Encephalopathy
- Osteochondrodysplasia
- Progressive Retinal Atrophy

*****All of our dogs used for breeding are tested for the following diseases and disorders before breeding. All dogs must have a clear/normal/average or above health clearance before breeding in the Two Acre Wood breeding program. If a dog is found to be a carrier of a hereditary disease it is bred or matched to a stud/bitch that is not a carrier to produce healthy puppies.*****

1 Year Warranty against Severe Hip and Elbow Dysplasia, severe cataracts or blindness providing the puppy must not be over exercised before the puppy is physically mature (18 months to 2 years old). Examples of over exercise include long distance running, dock diving, jumping hurdles, any highly repetitive exercise, etc.

Two Acre Wood Health Guarantee Excludes:

- Fertility
- Color-individual puppy's coloring can change dramatically from birth to adulthood based on coat type & inherited genetics
- Temperament
- Conformation, including: proper bite/dentition/misaligned teeth, heart murmurs and umbilical hernias
- Allergies
- Autoimmune disorders
- Cancers
- Possible Bloat
- Trauma, abuse and failure to maintain the general health of the dog.

If it is determined by a licensed veterinarian that the puppy does not meet the TAW Health Guarantee based on the Two Acre Wood Health Guarantee/Warranty that the puppy has a genetic disorder that is described above then the buyer may select one of the below options:

- to keep the puppy/dog and receive reimbursement for any veterinary expenses related to the illness provided that the reimbursements will not exceed the original purchase price amount
- receive a refund of the purchase price and no moneys to cover veterinary expenses
- receive a replacement puppy when the next puppy on the waitlist becomes available.
